S 300

The ultimate series in Small Office Shredding

With the most advanced handling features available today!

roto[®]

S 300 Series

Choose from 5 models capable of destroying up to 27 sheets of paper in one pass. 3 Strip-Cut and 2 Cross-Cut versions are available. All are compact and technically very advanced.

All models have a full sized A4 working width with an angled throat. This series also features an automatic On/Off control via light barrier and will automatically stop if overloaded or if paper jams.

The basket with the plastic waste bag is easily removed by opening the front door, therefore requiring no lifting up of cutting system to empty waste box. For safety the machine automatically turns off when the door is opened.

Type	S300 SC-0	S 300 SC-1	S 300 SC-2	S 300 CC-3	S 300 CC-4
Max. Sheet capacity (sheets)*	25-27	19-21	12-14	15-17	10-11
Media Capacity (CD,CC,FD)**	CD, CC	CC	CC	CC	CC
